Black Hills South Dakota Opens

Doug Groves and All American Realty Group have opened REALTY EXECUTIVES Black Hills. Groves stated, "REALTY EXECUTIVES gives me the broker the tools to develop my existing staff and the tools to recruit top agents in my area. During Franchise training we became more aware of our budget and how to create a win / win relationship with our EXECUTIVES. The tools have been simply amazing. Our EXECUTIVES truly enjoy this plug and play company with nothing left to chance. I know we will become one of the top Real Estate companies in the area."

Other Major Board Decisions that will effect your daily business

Board of Directors took a major strategic leap to create a broker-controlled **national repository or "library" of property data** that would provide members-only access to detailed information on all properties in the United States. Approved new model rules for MLS's that would **enable practitioners to alert one another to potential short sales.** Gave MLSs discretionary authority to enable participants to offer cooperative **compensation through the MLS as a percentage of the net sale price.**
